INTERNATIONAL STUDENT CONFERENCE
ON ENVIRONMENT AND SUSTAINABILITY

05 | JUNE | 2021

Registration for the International Student Conference on Environment and Sustainability 2021

The International Student Conference on Environment and Sustainability (ISCES) was co-organised by the United Nations Environment Programme (UNEP) and Tongji University, with the support of the Agricultural Bank of China, Beijing Environment Foundation for Young Talents and Xinhua News Agency. The Conference was successfully held for 9 sessions since 2011, attracted over 2,700 international students from more than 50 countries, to share their ideas and practices on sustainable development, and celebrate the World Environment Day. ISCES became a global event for future leaders, and one of the most influential youth events on sustainable development.

This year's ISCES has something new! Apart from the summit on 5 June 2021, students around the globe are called to share innovative solutions related to this WED theme Ecosystem Restoration, and will have the chance to win a prize of 10,000 RMB and internship opportunities with our collaborating partners.

A UNEP Goodwill Ambassador will be invited to announce the competing teams and topics. The conference will also feature leading research institutes and private companies to share knowledge on cutting-edge scientific findings and technology applications.

Join us now!

TIME: 5 - 6 June 2021 (online)

REGISTRATION: <https://isces.tongji.edu.cn>

Competition Entry Deadline: 20 May 2021

Find out more: <https://unep-iesd.tongji.edu.cn/iesden/ISCES2021/list.htm>
